Alexandria, VA 22313-1450

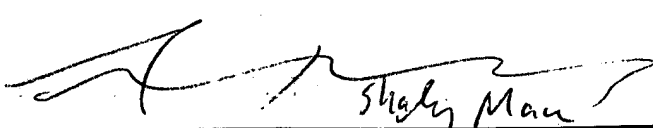

Dear Sir:

AUTHORIZATION OF COMMUNICATION VIA INTERNET E-MAIL

1. With respect to the above-captioned patent application, recognizing that Internet communications are not secure, I, the undersigned applicant, hereby authorize the USPTO to communicate with me concerning any subject matter of this application, other than those official Office Actions or which require signature, by electronic mail. I understand and respectfully request that a printed copy of these communications be made of record in the application file. (See MPEP § 502.03.II; Article 5 of the Articles of Patent Internet Usage Policy.) (Note: Applicant had previously submitted a similar authorization letter in October 2004; But it was entered into the record by the Office)

Respectfully Submitted

SIGNED ON: 3/24/2005

BY: Shalong Maa, Ph.D. *Pro Se* Applicant
